

Commercial Casualty

Aug. 14-15, 2024

GoToWebinar

CLASS OVERVIEW & TOPICS

Become familiar with current, practical policy knowledge and learn how to apply the limits of insurance and recommend appropriate endorsements. In the CIC Commercial Casualty course, you will gain a detailed understanding of the coverage, limitations, and exclusions of the commercial general liability (CGL) policy, the business auto policy (BAP), and the workers' compensation and employer's liability insurance policy (WC & EL Policy).

Agenda

Wednesday, Aug. 14, 2024

7:45 - 8 am **Join Webinar**
