

Insuring Personal Residential Property

Nov. 19, 2024 - Online

CLASS OVERVIEW & TOPICS

The CISR personal residential course helps you develop the expertise to guide your customers through the often complex and confusing process of purchasing homeowners insurance. More importantly, you will be able to provide practical information that will help clients make decisions for protecting their most valuable assets and their financial future in the event of a loss.

Agenda

7:45 - 8:00 a.m. **Join webinar**

8:00 - 9:00 a.m. **Insuring Personal Residential Property**

This section will provide an understanding of dwelling policy and homeowners policy eligibility as well as examine the various coverage forms offered so that you may confidently guide your client through selecting the right personal residential program for their property.

9:00 - 10:00 a.m. **The Homeowners Policy Structure and Definitions**

Examine the homeowners policy (focusing on the ISO Homeowners - 3 Special Form) to form an understanding of the definitions when creating coverage.

10:00 a.m.- 12:00 p.m. **Homeowners Policy Section I - Property Coverages**

Understand the application of Section I - Property Coverages, including basic coverage limits, perils insured against, exclusions, conditions, and how to apply the loss settlement condition to a covered loss.

12:00 - 12:45 p.m. **Lunch**

12:45 - 1:45 p.m. **Homeowners Policy Section I - Property Coverages (continued)**

1:45 - 3:45 p.m. **Homeowners Policy Section II - Liability Coverages**

Learn to confidently explain and apply homeowners liability coverages (personal liability and medical payments to others), exclusions, additional coverages, and conditions.

3:45 - 4:15 p.m. **Q&A review**
